Subject: Philip Roy Ackland commemoration

Hi Milly,

Sorry for the late reply.

My family and myself are asking if it would be possible to have a tree (cherry tree) planted and a plaque erected/placed in Rendal park to commemorate the life of my late father Philip Roy Ackland who was born in Rendal Park (previously the town Gas works). His father was the chief stoker in the gasworks for 45 years and this is where my father was born but also lived most his young life. Please can you provide an estimate of the costings for completing this.

Best regards
Mrs Tracy Hough.
