Subject: Roger Cook memorial plaque

Hi Milly,

As per Julie's whets app message.

I would like to propose that when the benches are reinstalled next to the old Ambulance hall, that members support the purchase and installation of a commemorative plaque from the town for Roger Cook.

Roger was one of Torpoint's most prominent citizens, a life long volunteer, youth worker, mentor and inspiration to generations. He was I believe our first citizen of the year, and he deserves to be celebrated.

Regards

Keiran Moon
