COUNCIL
20/07/25

Dear Milly, and all Torpoint Town Councillors

I am writing to thank you for your kind grant of £500.00. I've just let the crew on duty know and everyone here is so grateful for your support. So far in 2025 we have attended almost 700 missions and so there is a clear need for air service to help those in need of air care across Cornwall & the Isles of Scilly. Your support is invaluable and we all send our appreciation.

With warmest wishes

pp Debbie Henshaw.
