Clifton Emery Design — RIBA 3 for Community Hub and Residential units and

Clifton Emery Design – RIBA 3 for Town Public Square

A summary of the Reports was given and included: -

- i) Contents, including the reports and Appendices;
- ii) Site Vision and Concept;
- iii) Strategy of the Former Police Station site;
- iv) Concept Sections;
- v) The Site Plan;
- vi) The Public Square;
- vii) View from the Ferry lanes;
- viii) The Cost Plan. Overall £6.47m.

There were many questions posited, which prompted much debate as well as lots of positive support from members' for the reports/proposals, as shared. Clifton Emery Design highlighted how having worked on the development of the Vision for Torpoint, it had been a privilege to continue the work, to RIBA 3 concept design at Lower Fore Street, for the Community Hub and Residential units and the Public Square.

The Chairman (Councillor Gary Davis) minuted thanks to Neil Emery from Clifton Emery Design and his team for all the work which has gone into the production of the reports and associated documentation.

Following full consideration of the Reports and Appendices, as shared via an online link: -

- i) RIBA 3 for Community Hub and Residential units and
- ii) RIBA 3 for Town Public Square, all prepared by Clifton Emery Design, the TTPB wishes to make the **recommendation**, that the reports and Appendices are accepted and adopted by Torpoint Town Council.
