Hi Milly,

Please find attached endorsement to your Commercial Combined policy, which adds the 8 new items, as per your email below.

The Mammoth Shed has been added to the Bénodet Park location.

The 2 smart benches have been added to the Street Furniture sum insured.

The remaining 5 items have been added to the All Risks section.

There is no charge for these changes as it falls below insurers minimum premiums.

I trust that you find this is in order, but please contact us if you have any questions.

Kind regards.

Mark.
