Hello Milly, Julie and Chris

I just wanted to say a massive "thank you" so much for your time, hospitality, enthusiasm and positivity this morning. Julie, Simon and I were all saying if only we could bottle up how you operate/make things happen and work with us.....

Long may it last!

When I get a moment, I'll share some of the photos I took.

With very best wishes
Catherine

Dear Cllr Julie Martin, Milly and the Torpoint Town Council Team,

Thank you so much for hosting us. It truly was a brilliant day, the highlight of my week, with the beautiful weather providing the perfect backdrop to everything you showcased. From the library and community hub to the play parks and archives, every stop highlighted the real and tangible difference your work is making. It is so apparent that the work extends so much further than the provision of services and assets.

What is always reinforced is how your long-term commitment and tenacity behind your town plan are clearly paying off, and it was inspiring to see how those efforts have come to life.

Of course, the thing that you can't ignore and what really stood out most for me was the infectious positivity and energy from everyone we met, your team, volunteers, and community members alike. Rhyme time, meeting members of the Afghan community, chatting with the Coffee shop team, are memories that will help me promote and tell stories reflecting on the difference that can be achieved.

Please, if appropriate, pass on my thanks to everyone involved. The sense of pride and partnership between the Town Council and the community is evident, and it's making a real impact. I look forward to continuing in my capacity to support and celebrate the fantastic progress you're achieving.

Thanks again.

Simon
