**Regarding the Anniversary of my meeting at my home with the then Town & Cornwall Councillor:
Regarding 'Faded Double Yellow Lines' & 'People illegally parking in the Designated Turning Area':**

Madam Mayoress (Councillor Martin),

Further to my last communication (21/9/2025), I once again contact you (Lady Mayoress), because despite the time that everyone concerned put in on these outstanding and I fear unaddressed issues, nothing whatsoever has changed, I therefore feel that it would be beneficial if I put in-writing, what has and hasn't occurred in equal measure over the preceding Twelve (12) Month Period, as follows:

5/1/2025: The (Then) Torpoint Town & Cornwall Councillor (Councillor Tivnan), visited my home, he (Cllr Tivnan), stated unreservedly that he would both investigate and sort out both issues, many weeks elapsed, but nothing happened, so justifiably, I chased Councillor Tivnan, having in the intervening period, having chased the Town & Cornwall Councillor, on a number of occasions, he finally admitted that he had done nothing about my give concerns and observations whatsoever, or those expressed by other Bickern Road Residents.

1/5/2025: The Local & Cornwall Council Elections took place, resulting in Councillor Tivnan being voted off Cornwall Council, as the representative for Torpoint Town & Area, we were made aware that the Reform Councillor Robert Parsonage had taken over as Cornwall Councillor for Torpoint, like most people in Torpoint, I and My Neighbours are Uninterested in the Politics and Internal Squabbles of and by those who are elected to Serve Us/The Community.

Late July 2025: By the end of July 2025, it was clear and obvious to My Neighbours and I, that those in place to Serve both Us & The Community, had failed to address any of the concerns put to them, with that stark fact in-mind, I contacted you (Lady Mayoress), I asked you to become involved, you kindly responded via Mrs Southworth, to cut this communication to a more manageable level, I will say that a meeting was convened at and within the Torpoint Town Council Chambers, which you (Lady Mayoress) 'Kindly Chaired' the Local Tri Services Officer (Megan), attended, as did both Councillors Tivnan & Parsonage, along with Mrs Southworth (As Clerk to the Council), this meeting resulted in the Tri-Services Officer visiting me at my home, due to my disabilities, she (Megan), in-turn, kindly wrote a letter and hand delivered it, to the Offending Residents of No: 1 Bickern Road, who sadly despite the content of Megan's/The Police Letter, chose to 'Totally Ignore the Devon & Cornwall Police Letter' & As the Attached Photographs Show, have continued to both ignore the letter and have intentionally continued, to put their neighbours at risk 'Knowingly' But sadly, those Serving Us (Serving the Other Residents of Bickern Road), have knowingly failed to rise to the occasion One (1) Failure is/was bad enough, but Two (2) Is Intolerable & Unacceptable:

The Residents, to which I refer in my correspondence, of Bickern Road, are in the most part Elderly, a number of those, I respectfully remind the Mayoress and the Councillors Concerned, are both elderly and infirm, with Three (3), of us (Myself included), being disabled (Requiring Regular Medical Interventions and Totally Unfettered Access to Ambulances & Emergency Vehicles), these failings have clearly put my neighbours and I:

At Very Real Risk of Further Harm, or Worse!

August 2025: I had within correspondence, requested that This Issue/These Issues, be put before a Town Council Meeting, this took place on the 21st of August 2025, the matter was raised, but Two (2) Councillors (Tivnan & Davis), to put it mildly, jointly misled the assembled throng, it was also clear, at the meeting, that Cornwall Councillor Parsonage, knew little or nothing, about the difficulties being experienced by multiple residents of Bickern Road, regarding the Illegal Parking and or, of the Resultant Consequences of the Badly Painted & Now Extremely Faded Double Yellow Lines at the End of Bickern Road, which results in the Access being denied to Emergency Vehicles or Entry & Exit and or Access into Bickern Road, by its Residents, but of course, we don't have the benefit of a Councillor Living in Bickern Road, so:

Out of Sight: Means 'Out of Mind'.

September 2025: I (Jack Connah), having met with my Fellow Residents, wrote to the Lady Mayoress Again, I disclosed, that despite a meeting being held on the 12/8/2025 at your behest (Cllr Martin), with both Councillor Tivnan & Cornwall Cllr Parsonage, with the Tri-Services Officer & Mrs Southworth, who kindly told me, within the resultant correspondence, that **"Councillor Parsonage would be contacting me and would be coming to see me, at my home shortly"** Councillor Parsonage actually contacted me by email, but only on Four (4) Occasions and Only After I had given Him a Prod by way of his Cornwall Council Email Contact Details, within the Fourth (4th), short communication, he even told me that he (Cllr Parsonage), was coming to see me the following week:

Councillor Parsonage Has 'Never' Been to See Me:

In-Fact He Effectively Immediately Vanished Off the Planet!

As you can All Imagine 'I and my Neighbours are Totally Unimpressed'.

I therefore am mindful, that I should respectfully urge 'All those Concerned' To Ask Themselves:

"Why They Put themselves Up for Office":

&:

Then 'Why' Having been Elected, it appears that, those elected, then 'Totally Fail' In their given and accepted, resultant duties and lawful obligations, to those in the wider community in Torpoint, that they purport to serve.

If this observation, causes upset 'I (Jack Connah), Do Apologise' But in My Own Defence, by an accident of birth, I was born in Yorkshire and therefore, I am unfortunately inflicted with 'Forthrightness' Which, some living in the South of England and in particular in Devon & Cornwall, view as being 'Both a Blunt & Outspoken Manner' I do not intentionally do so, despite it being, more than justified, on occasions.

I once again, request, that a meeting be arranged, which I on behalf of my fellow residents, would like to attend, in order, to hold without prejudice discussions regarding these, as yet totally unaddressed concerns, at which, undertakings should be given, as to the intent of those concerned, regarding the issues raised:

In order to assist you personally (Lady Mayoress), I again Enclose/Attach, just a few more of the Many, many photographs, regarding the illegal parking in the Designated Turning Area and also On the Double Yellow Lines, in and at the end of both Bickern Road & Moor View, I respectfully submit, that it may be beneficial, if either Police Sgt Hayley (Sorry I don't Know Hayley's Surname), and or Tri-Services Officer (Megan Buckley), could or would, also attend, following the failure of their earlier **valiant attempt**, to resolve the illegal Parking Issues, occurring in both the Designated Turning Area & Upon the Extremely Faded Double Yellow Lines at the end of Bickern Road/Moor View.

Please revert.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Jack Connah', with a large, sweeping flourish underneath.

Jack Connah (Mr).
The Complainant.
