REASON(S) FOR DISPENSATION 33 a) without the dispensation the number of persons unable to participate in the transaction of business would be so great as to impede the transaction of the business	Although I have an interest at the church, I am not a member of the PCC and have not voting capacity or influence there. 33c) the dispensation is in the interests of persons living in the authority's area	All residents have an interest in this matter, and therefore as a resident and elected representative my participation is in the interests of persons living in the authority's area.
