Dear clerks

Please see a message below with regard to the consultation for the Cornwall Cultural Strategy:

Dear Colleague,**Consultation is now open for the Cornwall Cultural Strategy, which is a 10-year plan to strengthen culture and creative industries in Cornwall.**

Its vision is to use creativity to boost the economy, improve communities, and support health and wellbeing. The strategy focuses on five ambitions: helping people take part in culture, building skills and confidence, creating jobs and economic growth, improving towns and villages, and celebrating Cornwall's heritage and new creative work. The aim is to showcase the strengths of culture in Cornwall, how to maximise impact through working together, and to grow the sector by attracting more investment.

[You can click here to read the full draft document, and give feedback.](#) Consultation will close on the 24th of April 2026.

Please do share the consultation with your colleagues and communities you think might be interested. You can respond to the consultation as an individual, or as an organisation, and we value everyone's views.
