Hi Milly,

RE: Cil funding £2000 for all weather pitch TCC.

The MUGA Pitch update is on our agenda for the next meeting, I appreciate it all very recent news, so future plans may not have been discussed. However, as there will be no pitch then our £2000 Cil reserve will have to be (at some point soon) allocated to another reserve heading i.e. our footpath projects and community shop.

However before this is considered I wanted check if there was anything planned for the redirection of the Cil funds i.e. to the school for the YMCA facilities. If so then this is something that can then be considered along with the other infrastructure needs, as it was originally allocated to help support/ improve the sporting facilities of all in the parish. At the moment there is now less options due to the closure of the YMCA.

Hope you have (had) a lovely Easter.

Kind regards,

Nancy
