Information Classification: PUBLIC

Dear Sir or Madam,

I am happy to announce that for 2026 – 2027, we are once again making grants available to Town and Parish Councils via the Enhanced LMP scheme, to allow the continued maintenance and improvement to the Public Rights of Way (PRoW) in their local area.

In a change from last year, and to simplify the process, all of the information, including forms and specifications are now available to read and download from a Cornwall Council webpage, which can be found here: [Public Rights of Way Capital Programme 2026 – 2027 - Cornwall Council](#)

The scheme will once again be on a first come, first served basis, with the few applications received, but not honoured last year, taking precedence in the first instance.

Please send all emails and applications to [Imp@cornwall.gov.uk](mailto:Imp@cornwall.gov.uk) **ONLY**

### The Webpage

- Information on the grant available, what can be funded, how to apply and further information can be found by clicking on [what can be funded and how to apply](#) - shown by the **Red arrow** below. This can be saved to be referred to and printed if required. Please read this before applying.
- The application form can be opened and then downloaded / saved by clicking on [enhanced LMP – parish project proposal and claim form](#) - shown by the **green arrow** below. This will save it as a .pdf which you should be able to complete and save.
- The specifications, drawings and designs can also be downloaded, so that you can provide these to contractors for costings and to be followed for construction.
