

Please give full details of the following in support of your application for a dispensation. If you need any help completing this form please contact the parish clerk.

Your name	Keiran Moon
The business for which you require a dispensation (refer to agenda item number if appropriate)	3A
Details of your interest in that business	Although nothing has been decided upon and no group formed, I have taken part in decisions with community members about the possibility of forming a community interest group which could look to run or support the running of a sports centre in Torpoint. This could potentially include a 3G pitch or Muga. I have made it clear to them that I can not participate in any business plan or model they put forward to the council as I am conflicted.
Date of meeting or time period (up to 4 years) for which dispensation is sought	Wednesday 20 th May 2026. As the mayor has done with the merger of the schools, I believe this is going to be an ongoing subject of discussion and there for I will need this dispensation whilst it is on the town council's agenda up to a maximum of four years.
Dispensation requested to participate, or participate further, in any discussion of that business by that body	Yes
Dispensation requested to participate in any vote, or further vote, taken on that business by that body	Yes
REASON(S) FOR DISPENSATION	-
33 a) without the dispensation the number of persons unable to participate in the transaction of business would be so great as to impede the transaction of the business	-
33b) without the dispensation the representation of different political groups would be affected so as to alter the likely outcome of any vote	-
33c) the dispensation is in the interests of persons living in the authority's area	This matter is of prime importance for residents of Torpoint and all councillors need to be able to take part in this extraordinary meeting to help decide a way forward and vote on any resolution.
33e) that it is otherwise appropriate to grant a dispensation Reason :	Although I have not formally joined any group or organisation which may look to run sports facilities in the Town, I have taken part in discussions and therefore wish to be transparent with members and with the public.
