**Subject:** Elliot Square Lantern

Information Classification: CONTROLLED

Good morning both,

We have been working with our contractor and suppliers, who have now developed a solution for the heritage lantern in Elliot Square.

Rather than replacing the lantern, we will install an LED gear tray, meaning only the internal components will be updated. As this constitutes a maintenance activity, it does not require planning approval; however, I wanted to inform you out of courtesy.

This will be completed once the materials have been delivered.

Kind Regards
