Subject: Free Talk - Wills and Lasting Powers of Attorney

Good morning, Milly.

I hope you are well.

My name is Heather McKenzie, and I am the Business Development Executive at CWC Solicitors, with offices across Devon and Cornwall, including our local office in Torpoint.

I am contacting you to see whether you would be interested in a free, informative talk on Wills and Lasting Powers of Attorney (LPAs).

Many people are surprised to learn what can happen if they pass away without a valid Will, or if they lose the ability to make decisions without having a Lasting Power of Attorney in place. These are topics that affect all of us and our families, yet they are often put off until it's too late.

The presentation is designed to be friendly, informative and jargon-free, covering:

- Why having an up-to-date Will is so important
- What happens if you die without a Will
- The different types of Lasting Powers of Attorney
- Common misconceptions and mistakes to avoid
- How Wills and LPAs can help protect loved ones
- An opportunity for questions and answers

The talk typically lasts around 30-40 minutes, followed by a Q&A session, and can be tailored to suit your group's requirements.

There is no charge for the presentation, and our aim is simply to help local residents understand their options and make informed decisions about future planning.

If this is something your members may find useful, I would be delighted to discuss possible dates.

Thank you for your time, and I look forward to hearing from you.

Kind regards,

Heather
