Quick email to share the upcoming TAC Kids Art Summer Workshops and say a huge thank you for the support from Torpoint Town Council in helping us make these creative opportunities available for local children and families.

Following the success of our previous sessions, we are running a series of Sunday drop-in art workshops this summer, led by friendly local artists. The workshops are designed to encourage children's creativity, confidence, and imagination through hands-on activities including painting, drawing, building and exploring different materials.

The sessions are open to children aged 4-14 years, with all children welcome as long as they are accompanied by a parent or carer.

Workshop details:

 Last Sunday of June, July and August
 10am-12pm
 61 Fore Street, Torpoint

Families can drop in on the day (subject to available spaces), although we are encouraging advance booking through Eventbrite or email so we can manage numbers.

We are also planning to celebrate the children's creativity with an exhibition of the artwork produced during the workshops in September.

Eventbrite booking link:
