Subject: Tamar Toll Action Group Protest march flyer - event date July 25th

Dear Sirs

You may have seen from our social media feed (or other news outlets) that we are planning a peaceful demonstration on July 25th to show the level of desire for change on the way that both Tamar crossings are funded. This is largely a repeat of our 2023 demonstration, some footage of which is at this [ITV News link](#).

To promote this event and encourage people to attend from slightly further afield, I would be grateful if our attached flyer could be displayed on the Torpoint town Council notice boards in the run up to the event.

With kind regards

--
