Subject: Community Sponsorship Opportunity | Torpoint Community College Art Project

Good Afternoon

I hope you're well.

I am getting in touch from Elaine Foster-Gandey Art regarding a local community arts project involving Torpoint Community College Year 8 students.

The project is now well underway, with Year 8 students at Torpoint Community College creating textile aprons that will be exhibited at Cornwall Museum and Art Gallery from 28 September 2026 to 16 January 2027.

I'm inviting a small number of local businesses to become Project Supporters, helping to provide materials and support opportunities for the students, including a visit to the museum to see their work on display.

To thank you for your support:

£50 Community Supporter

- Social media thank you
- Invitation for two to the exhibition preview
- Signed A4 commemorative print of the completed giant apron

£100 Community Sponsor

- All of the above
- Business logo included on project publicity and exhibition supporters' material (where print deadlines allow)

I've attached the sponsorship form and payment link again in case you'd still like to get involved. Every contribution helps create a memorable opportunity for Torpoint's young people.

Thank you for considering supporting this community project. I'd be delighted to have your business involved.

With best wishes,

Emily

Elaine Foster-Gandey Assistant
