

Founder members Pat & Freda Manning

Visitors are always interested when Ferry memorabilia is displayed. Children love to use the ticket punch.

Twelve years ago, 3 children from Carbeile Junior School were encouraged to research the history of the Torpoint ferry. They visited the Archives and the ferry and produced an interesting booklet.

The 2 chain links were donated to the Archives after ferry maintenance. It is amazing how heavy they are. Maybe instead of a guess the weight of a cake competition, The Archives will challenge visitors to guess the weight of the links!

If you are near Liskeard Town Hall on Sat 5th please pop in to support the TAHC team of volunteers. Their display theme will be the history of St Germans Union (Torpoint Workhouse) 1837-1940. Other teams of volunteers from members of South East Cornwall Museums Forum will also have interesting displays.

A handwritten signature in black ink, appearing to read 'Mike Pearn'.

Mike Pearn MBE
Freeman of the Town
Chairman

DATES

Saturday Sept 5th
Thursday Sept 10th
