Subject: Proposal to change the age range of Torpoint Community College from 11-18 to 11-16 from September 2027

Good afternoon Milly,

Please see below communication sent to parents regarding the change in age range for Torpoint Community College.

With my kind regards

Jeremy

Proposal to change the age range of Torpoint Community College from 11-18 to 11-16 from September 2027

Dear Parents and Carers,

I am writing to inform you that Cornwall Council has approved the Governing Board's proposal to change the age range of Torpoint Community College from 11-18 to 11-16 through the phased closure of the Sixth Form.

This decision follows an extensive consultation process and was confirmed to the College yesterday evening. The proposal has now been formally approved and is a matter of public record.

I would like to take this opportunity to thank everyone who contributed to the consultation process, whether by completing the survey, attending the consultation event, or sharing their views in other ways. A significant amount of feedback was received from students, parents, staff and members of the wider community. The Local Authority carefully considered this feedback as part of its decision-making process, and we are grateful to all those who took the time to engage.

We recognise that this news may be disappointing for some members of our community. The Sixth Form has been an important part of Torpoint Community College for many years, and we know that many families have valued the opportunities it has provided.

Our focus now is on ensuring that all students are fully supported as we move forward. Planning is already underway to ensure that current and future students are exceptionally well prepared for their next steps into post-16 education, training and employment. We will continue to work closely with students, families and local providers so that every young person receives the advice, guidance and support they need to make informed choices about their future.

Torpoint Community College remains committed to providing a high-quality education and a wide range of opportunities for all students in Years 7 to 11. We remain ambitious for every young person and will continue to focus on helping them achieve excellent outcomes and successfully move on to the next stage of their education.

The decision in respect of the proposal to change the age range of Torpoint Community College from 11-18 to 11-16 through the phased closure of the Sixth Form (a prescribed alteration) has been taken by the Service Director for Education and Community Health and can be accessed using the link below:

[Issue details - Individual Decision - Proposal to change the age range of Torpoint Community College from 11-18 to 11-16, through the phased closure of the Sixth Form \(a prescribed alteration\) - Cornwall Council](#)

Thank you for your continued support of the College.

With kind regards,

Jeremy Plumb
