Afternoon Phil & Milly,

I am writing on behalf of the Antony School Association as we have now confirmed the date of our Winter Wonderland event, which will take place on Friday 4th December, from 5:30-7:30pm.

We were wondering whether the Town Council might be willing to support us again this year with lighting and cones. Your support last year made such a difference to our event, and we received so much positive feedback that we would absolutely love it if you were able to help us out again this year.

If this is something that TCC might be able to support, please do let us know.

Look forward to hearing from you.

Kind regards,

Laura Moyle
