Subject: Anti-Social Behaviour Strategy consultation

Information Classification: PUBLIC

TO: South East Cornwall Community Area Partnership

Dear councillors and colleagues,

Cornwall's Safer Cornwall Partnership is currently consulting on a new Antisocial Behaviour (ASB) Strategy. We wanted to ensure you were aware of this and had the opportunity to respond. The strategy is being developed to reduce ASB, support victims, and strengthen the way agencies work together to respond to local concerns.

The consultation is open for the next several weeks, with an online survey that should take around 10 minutes to complete. A link to the consultation is here:
