RE: Penntorr Surgery Car Park

Dear Milly
Had an appointment had Pentor surgery today and was so difficult to park spent ages driving round to find a space. What are the council doing to address this problem a lot of people are saying staff at Raleigh are parking there? Why is this as Raleigh is a huge place with I imagine lots of space to park so what negotiations are being held with Raleigh about this if that's the case please answer more than please email Cornwall Council!!

Regards
Rob Vanstone
